

## 4 December (Thursday)

08:00–16:00  
*Lobby opposite exhibition*

Registration

08:30–10:00  
*Gostiny Dvor,  
Conference Hall 1*

**Business breakfast**

**Minister of Transport of the Russian Federation**  
*(by special invitation)*

10:00–10:15  
*Gostiny Dvor*

**Official opening of exhibition**

10:15–11:30  
*Gostiny Dvor*

**Official tour of exhibition**

by Minister of Transport of the Russian Federation

10:30–12:00  
*Gostiny Dvor,  
Conference Hall 3*

**Conference**

**Technical regulation and road safety in Customs Union member nations**

- statutory, technical and legal regulation of the Customs Union in the road sector
- analysis of the regulatory framework of Customs Union member nations for the design, construction, operation, repair and reconstruction of roads and the development of research-based proposals on the structure, content and preparation of official draft documents that ensure compliance with road safety requirements
- Customs Union technical regulation “Road safety” and its regulatory effect
- evidence base of the Customs Union technical regulation “Road safety”. Development and application of intergovernmental standards
- methods and recommendations for the application of the Customs Union technical regulation “Road safety”

Moderator:

**Igor Kostuchenko**, Director, Department of State Policy in the Field of Road Facilities, Ministry of Transport of the Russian Federation

Opening remarks:

**Oleg Belozеров**, Deputy Minister of Transport, Russian Federation

Speakers:

**Alexander Bukhtoyarov**, Head of Scientific and Technical Research and Information Support Department, Rosavtodor

**Nikoly Bystrov**, Director-General, Avtodor-Engineering

**Evgeny Rokalo**, Head, Main Department of Highways, Republic of Belarus

**Evgeny Simchuk**, Executive Secretary, ITC 418, Public Road System

**Igor Urmanov**, First Deputy Chairman of the Board for Technical Policy, Avtodor

10:30–12:00  
Gostiny Dvor,  
Conference Hall 2

## Conference

### Public-Private Partnership in Transport Sector: Ensuring Road Safety

- international standards in road safety practices
- transport infrastructure design/construction/reconstruction technologies to ensure road safety in the development and operation of HSR “Western High Speed Diameter” on a public-private partnership basis
- transport infrastructure equipment and operation technologies to ensure road safety in the development and operation of the project on a public-private partnership basis
- role and significance of research in the operation of highway transport, road safety, and public-private partnership in the context of transport infrastructure facilities
- experience in the implementation of public-private partnership projects on the federal level
- experience in the implementation of public-private partnership projects in St. Petersburg
- international cooperation in the provision of road safety and promotion of public-private partnership in this field

Moderator:

**Svetlana Maslova**, Acting Director, Centre for PPP Studies, Graduate School of Management, St. Petersburg State University

Welcome address:

**Nikolay Asaul**, Deputy Minister of Transport, Russian Federation

Speakers:

**Alexey Bnatov**, CEO, Northern Capital Highway

**Konstantin Glukhenkiy**, Economic Advisor, UN Economic Commission for Europe

**Vladimir Guyda**, Deputy Minister of Transport and Highways, Ryazan Region

**Andrey Ivanov**, Acting Chief Researcher, Centre for PPP Studies, Graduate School of Management, St. Petersburg State University

**Pavel Karpunin**, Partner, Capital Legal Services

**Eric Cornuaille**, Managing Director, HeyCo Consulting; Senior Partner, 4icom

**Terenty Meshcheryakov**, CEO, Research Institute of the Motor Transport

**Oleg Pankratov**, Head, Infrastructure Capital and Project Finance Department, VTB Capital

**Konstantin Popov**, Deputy Chairman, Board for Legal Issues, state company Avtodor

**Elena Semenova**, Head, Legal Support and PPP projects, Federal Road Agency

11:30–12:30  
Catering Area

Coffee break

12:00  
Gostiny Dvor,  
Plenary Session Hall

## Live broadcasting

Message of the President of the Russian Federation to the Federal Assembly

12:30– 14:00  
Gostiny Dvor,  
Conference Hall 2

### Research and practice conference

## Information technologies in public transport: safety and comfort

- role of IT in the development of transport innovation
- prospects and feasibility of the creation of a single Russian information transport system and a single ticket system in the Russian Federation
- state-of-the-art information distribution technologies in public transport
- implementation of information technologies in addressing the challenge of improving transport safety

Moderator:

**Mikhail Klimovsky**, Co-founder, ITMO University Urban Transformation School;  
Director, Design of urban ecosystems Master's Program

Welcome address:

**Nikolay Asaul**, Deputy Minister of Transport, Russian Federation

Speakers:

**Mikhail Blinkin**, Director, Institute of Transport Economics and Transport Policy, Higher School of Economics

**Stanislav Ivanov**, CEO, BitLock

**Luka Guala**, Director of Transport Projects, Systematica MLab

**Igor Malygin**, Doctor of Engineering Science, Deputy Director for Solomenko Institute of Transport Problems of the Russian Academy of Sciences

**Sergey Kudinov**, Analyst, ITMO University

**Denis Nechaev**, Representative, Urban Solutions

12:30–17:00  
Gostiny Dvor,  
Conference Hall 3

### Conference

## Ensuring the transport sector is secure against acts of unlawful interference and the use of modern technologies

- statutory and legal regulation in ensuring transport security and practical experience in ensuring the security of infrastructure facilities and transport vehicles
- approaches to organising the workforce for transport security, including their training and certification: opinions of the government and business
- establishment and utilisation of innovative technical equipment to ensure transport security: key challenges and solutions

Moderator:

**Nikolay Zakhryapin**, Deputy Minister of Transport of the Russian Federation

Speakers:

**Yury Abramov**, Specialist, Special Equipment Centre at the Federal Security Service of the Russian Federation

**Vasily Aksyonov**, First Deputy Chairman for Security, Committee of the Union of Transport Workers of Russia

**Alexander Brevnov**, Deputy Head, Main Department of Transportation, Ministry of Internal Affairs, Russian Federation

**Nikolay Deyneko**, Deputy Head of the Department for Transport Security, Rosavtodor

**Alexey Klyavin**, President, National Chamber of Shipping

**Alexander Korniyenko**, Director of the Department for Transport Security and Special Programs, Ministry of Transport of the Russian Federation

**Vladimir Kuznetsov**, Deputy Head, Transportation Security Department, Russian Railways

**Alexey Kuznetsov**, Vice-President, Promzheldortrans

**Nikolay Reshetov**, Deputy General Director, FSUE SVR Ministry of Transport of the Russian Federation

**Alexander Sveshnikov**, Chairman of the Board, Transport Security Association

**Vyacheslav Smirnov**, CEO, Zashchita InfoTrans

**Maksim Soldatkin**, CEO, BIPROASCO

**Alexander Starovoytov**, Deputy of the State Duma of the Federal Assembly of the Russian Federation, Deputy Chairman of the Transport Committee of the State Duma of the Federal Assembly of the Russian Federation

**Alexander Sukhanov**, Deputy Director, Rosaviation

**Vladimir Chertok**, Deputy Director, Rostransnadzor

14:00–15:30  
Gostiny Dvor,  
Plenary Session Hall

### Second Transport Education Forum

#### Industry education system. Is there a single recipe for cooperation between universities and transport companies?

- technological agenda for the harmonious development of transport companies: what innovation solutions should be used as reference points?
- will industry scientific centres cope with the new tasks of fundamental and applied research and what possibilities are there for this in big research centres?
- Proactive personnel training: what professions will be in demand, and what competencies should specialists have in 10–20 years?
- Structure of education: what approaches should be borrowed from the past in order to avoid regrets in the future?

Opening remarks:

**Maxim Sokolov**, Minister of Transport, Russian Federation

Moderator:

**Sergey Gradirovsky**, Member of the Expert Council, Government of the Russian Federation

## Speakers:

**Sergey Aristov**, State-Secretary – Deputy Minister of Transport, Russian Federation  
**Jan Harder**, Vice-President Business Development CIS, ALSTOM Transport Russia  
**Alexander Klimov**, Deputy Minister of Education and Science, Russian Federation  
**Denis Kovalevich**, CEO, Technospark Nanocentre  
**Elena Kudryaseva**, Rector, Northern (Arctic) Federal University  
**Boris Lyovin**, President, Association of Higher Educational Institutions of Transport  
**Andrey Volkov**, Advisor to the Minister of Education and Science, Russian Federation;  
 Professor, Moscow School of Management SKOLKOVO

14:00–15:30  
Catering Area

Lunch

14:15–15:00  
Gostiny Dvor

**Official tour of exhibition**

by Deputy Ministers of Transport of the Russian Federation

14:30– 16:00  
Gostiny Dvor,  
Conference Hall 2

**Conference****Modern Means of Individual Mobility: New Challenges for the Development of Territories**

- new concept for ensuring public transport mobility
- promotion of individual mobility devices and territorial development — economic and urban consequences
- development trends in public transport services — the role of compact individual mobility devices
- specifics of analysing the cost-effectiveness of individual mobility systems
- involvement of state and administrative bodies in developing bicycle transport — foreign experience
- individual mobility formats, development prospects and specifics of traffic safety management
- individual mobility devices as community transport — Grenoble case study
- compact community transport and individual mobility — drone services case study

## Moderator:

**Igor Markin**, General Director, Research Institute for Bicycle Transport; Partner, IPG-group; Chairman of the Public Bicycle Council

## Welcome address;

**Nikolay Asaul**, Deputy Minister of Transport, Russian Federation

## Speakers:

**Luka Guala**, Director of Transport Projects, SystematicaMLab  
**Nikolay Haritoshkin**, PhD in Technical sciences, Associate professor and Technical Secretary, Regional Scientific and Education Centre of Transport and Shipbuilding Problems, Baltic Federal University n.a. Kant

**Bas Hilckmann**, Founder, BV Duurzaamimobiliteit  
**Igor Nalimov**, PhD in Technical Sciences, President of the Bicycle Transport Union  
**Sergey Shelmakov**, Ph D in Technical Sciences, Associate Professor at Moscow  
Automobile and Road Institute  
**Minze Walvius**, Founder, Managing Mobility Foundation; Founder, BV AdVier

16:00–17:00  
Catering Area

Coffee break

16:30–18:00  
Gostiny Dvor,  
Conference Hall 1

### Round table

## Developing multipurpose Motorway Service Areas (MSAs) network along high-speed motorways operated by Avtodor

- basics of MSA's development concept of "Avtodor- Development"
- first MSAs along the high speed motorways operated by Avtodor: Experience of building and operation
- using franchising as a tool for developing MSAs
- perspectives of motel chains development along the high speed motorways in Russia
- using innovative approaches in developing MSAs along the high speed motorways.

Moderator:

**Sergey Kelbakh**, Chairman of the Board, State Company Russian Highways

Speakers:

**Alexis Feuillat**, Director of Development, ACCOR Russia, CIS and Georgia

**Igor Stepanov**, General Director, Avtodor - Development

**Oleg Talalay**, Deputy General Director, Tatneft-AZS-Zapad

**Sergey Tsesaruk**, Chief Expert in Developing MSAs, Russian Federation of Franchising

17:00– 18:30  
Gostiny Dvor,  
Conference Hall 2

**Meeting of the Coordinating Council for Education  
at the Ministry of Transport of the Russian Federation**  
*(by special invitation)*

## 5 December (Friday)

08:30–18:00  
*Lobby opposite  
exhibition*

Registration

### Conference

Strategy for the development of a network of high-speed roads in the Russian Federation on a public-private partnership basis

- Avtodor Strategy for the Development of the Expressway Network – driver for economic growth of the Russian Federation
- expected macroeconomic outcomes resulted in implementation of the Avtodor Strategy for the Development of the Expressway Network
- international transport corridor Europe – Western China as a centre piece in the Avtodor Strategy for the Development of the Expressway Network
- role of expressways in the development of modern transport infrastructure
- international experience of creation of the expressway network (France case)
- role of expressways in securing growth of regional economics and spatial development

Moderator:

**Alexander Nosov**, Member of the Board, Investments and Corporate Development, Avtodor

Welcome address:

**Maxim Sokolov**, Transport Minister, Russian Federation

**Igor Levitin**, Assistant to the President, Russian Federation

Speakers:

**Mikhail Blinkin**, Director, Institute of Transport Economics and Transport Policy, Higher School of Economics

**Christian Heurtebis**, Business Development Director - Russia, VINCI Concessions

**Georgy Idrisov**, Head of Scientific Research Laboratory for Industrial Markets and Infrastructure Research, Russian Presidential Academy of National Economy and Public Administration (RANEPA)

**Sergey Kelbakh**, Chairman of the Board, Avtodor

**Ivan Pivkin**, Minister of Transport and Highways, Samara Region

**Lenar Safin**, Minister of Transport, Tatarstan Republic

10:00–11:30  
Gostiny Dvor,  
Conference Hall 3

## Conference

### EEU transport: integration standards for Eurasian shipments

- harmonising the laws of CES countries in tariff regulation: working towards a unified methodology
- “Exceptions”: how will exclusive tariffs be applied for cargo shipment by railway transport?
- development of technical regulations to ensure transport and infrastructure safety
- organisational patterns for railway carriers to access work on the markets of partner countries
- tools for enhancing the potential of the transport and logistics sector of CES member nations

Moderator:

**Innokenty Ivanov**, Partner, Head of Practice for Infrastructure and Transport in Russia,  
Freshfields Bruckhaus Deringer

Speakers:

**Peter Baskakov**, President, UTLC

**Dmitry Eremeev**, CEO, UVZ-Logistics

**Alevtina Kirillova**, Adviser to the Head, Federal Tariff Service

**Sergey Levin**, Deputy Head, Technical Policy Department, Russian Railways

**Nikita Maslennikov**, Head of Finance and Economics and Chief Analyst, Institute of Contemporary Development

**Danil Rudakov**, business expert at logistics, e - commerce, it technologies, founder of the first Russian aggregator of freight transport

**Alexey Tsydenov**, Deputy Minister of Transport, Russian Federation

10:00–11:30

Gostiny Dvor,  
Conference Hall 2

### Conference

The new logic of passenger air transportation: how should public demand for the affordability of air travel be satisfied?

Moderator:

Yermolai Solzhenitsyn, Senior Partner, McKinsey& Company

Opening remarks:

Valery Okulov, Deputy Minister of Transport of the Russian Federation

*Bypassing Moscow: "redistribution" of air travel in the interests of passengers residing in the regions*

Oleg Klim, Deputy Head, Federal Air Transport Agency of Russia

Nikolay Slobodchikov, First Deputy Chairman of the Government of the Irkutsk Region

Leonid Reznikov, Deputy Governor of the Tomsk Region for industrial policy

Evgeny Chudnovsky, General Director, Airports of Regions Holding

Oleg Panteleyev, Head of the Analytical Service, AviaPort

*Budget flights: how the appearance of low-cost airlines affects public mobility*

Andrey Kalmykov, CEO, Budget Carrier

Svetlana Abashkina, Vice-President, AirBaltic

11:00–12:00

Catering Area

Coffee break

11:30–12:30

Gostiny Dvor

### Official tour of exhibition

by Minister of Transport of the Russian Federation

12:30–14:30

*Gostiny Dvor,  
Plenary Session Hall*

### Plenary session

## Transport infrastructure: rapid development strategy

- synergy of federal and regional transport strategies as a factor for building the country's unified transport system
- needs of Russian regions in transport infrastructure
- legislative and legal framework of concession projects: necessary conditions for the start and successful implementation
- organising return on investments and funds attracted for projects with a long payback period

### Prime Minister's of the Russian Federation Statement

**Dmitry Medvedev**

Moderator:

**Kirill Androsov**, Managing Partner, Altera Capital

Presidium:

**Kirill Dmitriev**, CEO, Russian Direct Investment Fund

**Dmitry Kobylkin**, Governor, Yamal-Nenets Autonomous Region

**Vladimir Mau**, Rector, RANEPA

**Yury Molchanov**, Senior Vice-President, VTB Bank

**Maxim Sokolov**, Minister of Transport, Russian Federation

**Viktor Vekselberg**, Chairman of the Board of Directors, Renova Group

Invited Experts:

**Pavel Brusser**, Managing Director, Department for Project and Structured Finance, Gazprombank

**Sergey Gavrilov**, Chairman, Property Committee, State Duma, Federal Assembly of the Russian Federation

**Sergey Khramagin**, CEO, GTLK

**Dmitry Mezentsev**, CEO, Shanghai Cooperation Organisation

**Vadim Morozov**, First Vice-President, Russian Railways

**Yermolai Solzhenitsyn**, Senior Partner, McKinsey& Company

14:30- 15:30

*Catering Area*

Lunch

15:00–17:00  
Gostiny Dvor,  
Conference Hall 1

### Discussion club

## From Olympic victories to 2018 FIFA World Cup: next level of Russian transport system

- key factors for successful spectator transport
- specifics of providing transport services to the World Cup client groups
- the role played by the preparations for and holding of the 2018 FIFA World Cup in the Russian Federation for developing domestic and inbound tourism. Collaboration to see already today

Moderator:

**Terenty Meshcheryakov**, CEO, Research Institute of the Motor Transport

Welcome address:

**Nikolay Asaul**, Deputy Minister of Transport, Russian Federation

Speakers:

**Azat Galiakhmetov**, Deputy Director General, Sports Project Executive Directorate for Sports Projects

**Alexander Gerasimenko**, Minister of Transport and Highways, Nizhny Novgorod Region

**Sergey Korneyev**, Deputy Head, Federal Agency for Tourism

**Vitaly Kushnaryev**, Minister of Transport, Rostov Region

**Yury Matochkin**, Head, Directorate of Preparation for the Football World Cup-2018, Kaliningrad Region

**Alexey Merkulshkin**, Deputy Prime Minister, Minister for Target Programmes, Republic of Mordovia

**Nikolay Nikitenko**, Director of the Transport Department, Russia 2018 LOC

**Ivan Pivkin**, Minister of Transport and Highways, Samara Region

**Severin Podolak**, Director, FIFA Travel and Transportation

**Dmitry Pronin**, Deputy Head, Department for Transport and Highway Infrastructure Development, City of Moscow

**Alexander Sidorenko**, Minister of Transport and Communications, Sverdlovsk Region

**Dmitry Teslin**, Head, Department for Implementation of Road Transport and Road Safety State Policy, Transport Department, Krasnodar Region

**Vladimir Udalov**, Minister of Transport and Highways, Volgograd Region

**Alexander Vorobiev**, Chairman, Committee on Transport of St Petersburg Government

15:00–17:00

Gostiny Dvor,  
Plenary Session Hall

## Conference

### Science, education, business – partnership and development areas

#### Applied science: areas for growth

- development models for the science curriculum: international and Russian experience
- priority research areas to provide transport security
- ‘Green navigation’ technology: feasibility and prospects for development
- innovative technology for the construction and use of the infrastructure of national waterways

#### Training system for the industry: advance strategy

- competent approach in education–focus on the consumer
- basic tendencies to develop a system for further professional education on maritime and river transport
- training maritime experts in mastering the continental shelf and the Arctic
- using information technology in education to train fleet specialists

#### Integration of science, education and business as the basis for making industry more efficient, including priority development of the infrastructure

- employment of graduates and personnel deficit: two sides of the problem or area for interaction
- collaboration between universities and companies with government interests as part of the implementation of the Programme of innovative development
- focus on network-based cooperation among industry organisations within the implementation of scientific and educational projects
- implementation of international scientific and educational projects in order to increase the competitiveness of transport universities

Moderator:

**Evelina Zakamskaya**, TV presenter, Russia-24

Welcome address:

**Maksim Sokolov**, Minister of Transport, Russian Federation

**Igor Levitin**, Assistant to the President, Russian Federation

Report:

**Alexander Davydenko**, Head, Federal Maritime and River Transport Agency

Speakers:

**Chris van Aar**, Project Manager, Maritime University STC-Group B.V. (The Netherlands)  
**Rauf Aliev**, Vice-President, Palmali Group of Companies  
**Alexey Belyakov**, Vice-President, Executive Director of the Space Technologies and Communications Cluster, Skolkovo Foundation  
**Petr Ezhov**, Coordinator of Educational Projects in Russia, Numeriek Centrum Groningen  
**Petteri Ikonen**, President, Kymenlaakson University of Applied Science (Finland)  
**Pekka Koskinen**, Partner, BRAVE Logistics Finland Oy; Member of Brave Alliance (Finland)  
**Michel Litvak**, Chairman of the Board of Directors, OTEKO  
**Arjen Mintjes**, Director of Maritime Academy of Holland, Chairman of EDINNA  
**Liu Nan**, President, Bestway Development Group Co.  
**Igor Pankov**, Director of SCF Training Centre, Sovkomflot  
**David Smith Kay**, General Director, North Atlantic Management Ltd.  
**Hisashi Yamamoto**, Secretary General, Global On-Board Training Centre (GOBTC) in Japan

During the conference, there will be a teleconference with the ships, on which university students are training for the Federal Agency for Maritime and River Transport (Rosmorrechflot)

15:00–17:30

Gostiny Dvor,  
Conference Hall 2

**Conference**

**Policy of sustainable coverage. How should the network of airports be optimised and the transit potential of airspace be utilised?**

Moderator:

**Yemolai Solzhenitsyn**, Senior Partner, McKinsey& Company

*History and geography: prospects for restoration and modernisation of the airfield network*  
*Airport fees and tariffs: to regulate or to step back?*

**Alexey Laptev**, First Deputy Governor of the Kaluga Region  
**Sergey Serebrennikov**, Mayor of the city of Bratsk  
**Anatoly Pchelin**, Head of Department for Airport Operations, Federal Air Transport Agency  
**Vasily Alexandrov**, General Director, Vnukovo International Airport  
**Alexander Oleynik**, Deputy CEO for Economics and Finance, Sheremetyevo International Airport

*Focus on the user: expanding passenger services and care for people with limited mobility.  
Improving the airport business management system: development of the institutional  
environment*

**Oleg Klim**, Deputy Head, Federal Air Transport Agency of Russia

**Andrey Tupitsyn**, Commercial Director, Domodedovo International Airport

**Alexander Ilyin**, Deputy CEO for Corporate Development, Sheremetyevo International  
Airport

**Vladimir Kamynin**, Director for Aviation Business Development, Airports of Regions

*Safe and efficient skies: how to update the Unified Air Traffic Management System.*

**Alexander Vedernikov**, Deputy Head, Rosaviation

**Igor Moiseenko**, CEO, State Air Traffic Management Corporation

**Sergey Nedoroslev**, Chairman, Consumer Council, State ATM Corporation Federal State  
Unitary Enterprise; Member of the Expert Council, Government of the Russian Federation

**Oleg Yevtushenko**, Director, Research Institute of Air Navigation at State Research Institute  
of Civil Aviation

16:45–18:00  
Catering Area

Coffee break

17:00–18:30  
Gostiny Dvor,  
Conference Hall 3

**Coordination transport meeting  
of CIS member nations**  
*(by special invitation)*

19:00  
Restaurant  
“Chaika”

**Reception**  
hosted by the Minister of Transport of the Russian Federation
